■ **SIGNATURE LOOK** Vintage African – a mix of faded floral fabrics put together with junk-shop finds and African artefacts. It's pretty-colonial with a stylish Afrocentric edge ■ **RECENT PROJECTS** Interiors at a new luxury bush camp, Buffalo Ridge Safari Lodge in Madikwe Game Reserve. Next, a rework of the interiors at Royal Madikwe Game Lodge. 'We're moving away from that crisp, colonial *White Mischief* look and injecting an upbeat Pan-African feel using splashes of bold colour in berry pinks and reds.'

■ **NEXT BIG THING** Setting up a 3 000-square-metre lifestyle shop called Vintage Chic in Dubai. 'I'll be in charge of designs and procurement of furniture, fabric and accessories made here in South Africa.'

■ **PROJECTS ON THE GO** 'I'm developing a flooring range for kids' bedrooms with resin cobblestones filled with anything from jellybeans to daisies or even plastic insects, especially for boys.'

■ **FAVOURITE ITEM** 'A fish tank that fits into a Victorian birdcage, where two Parrot fish live. It's mad, but kids find it intriguing.'
